This is your registration packet.

The Jack and Jill term will begin September, and continue through until early June.

Please keep this first page for your records. To register, complete and return the attached registration form and pay the non-refundable registration fee. Class sizes are limited and children are registered for a class in the order that the completed registration form and fee are returned to the preschool. Requesting this form does not ensure that your child is registered for a class, the form and fee must be returned to the preschool either in person, or by mail in order for your child to be guaranteed a place in the class. When the preschool has received the form and fee, your child will be registered. Jack and Jill makes every effort to place children in the class that families request.

Make all checks payable to: Jack and Jill Preschool. Receipts are only given for cash payments, otherwise, your canceled check is your receipt. The registration fee is \$40 for returning students and \$50 for new students. There is an additional \$50 NSF charge for all checks returned by the bank. Registration fees are non-refundable and do not count toward Jack and Jill Preschool tuition amounts.
