Jack and Jill Preschool Term Hagenbuch/Trinity Scholarship Application General Information

Full tuition for the 2020-21 pre-kindergarten preschool term at Jack and Jill Preschool is \$980 and for the 2020-21 primary term tuition is \$910. Hagenbuch scholarships are awarded *only* to children who have already been registered for a pre-kindergarten class for the upcoming term. (Note: the term registered is defined as registration form being completed and returned along with the \$40 or \$50 non-refundable registration fee to Jack and Jill Preschool). Trinity scholarships can be awarded to either a primary or prekindergarten student.

Scholarships are awarded based on financial need, social need, and spiritual need. Scholarship decisions are made by the Hagenbuch Scholarship Committee which may be made up of members of the Jack and Jill Preschool Board, along with other committee members who are chosen because of their ability to contribute their expertise to the committee.

This committee meets after June 30 to review any scholarship requests. They may meet at additional times during the year if the need arises. It is the Scholarship Committee's discretion to decide the amount of money to be given to any family who applies for a scholarship. The Hagenbuch funds available for a scholarship during any term vary and are based on any interest accrued from the Hagenbuch Scholarship Account invested by Trinity Evangelical Lutheran Church. As such, the amount of money available toward any years' scholarship will vary. This amount may or may not be equal to the amount requested by a family. Trinity scholarship funds come from Trinity Evangelical Lutheran Church's Special Gifts Fund. The amount available for Trinity scholarships varies from term to term and is determined by the amount of funds awarded to the preschool by the Special Gifts Fund committee for that purpose. The decisions of the Jack and Jill Scholarship Committee is final.

Due to the age of the children who receive the scholarship(s), the names, addresses, and other personal information are kept private and confidential from the rest of the Jack and Jill Preschool Board and from the general public.

Scholarship applications that are returned to the Jack and Jill Preschool Director before June 30, 2020 are considered first by the scholarship committee for scholarships. Applications must be complete and include all requested information in order to be considered by the committee. If there are no scholarship requests, the monies available will stay in the Hagenbuch Scholarship Account or the preschool's funds until they are needed. Scholarship applications submitted after June 30, 2020 will be considered with the understanding that funds for full or partial scholarships may no longer be available due to prior scholarship requests and determinations.

Submission of a scholarship application implies that the family agrees to the conditions listed above.
